

# BETHANYKIDS

*Transforming lives of children across Africa through compassionate pediatric care.*

## STAGE 1 TRAIN SURGEONS

*We train pediatric surgeons at a hospital in Kenya and provide continued support once our graduates return to their home countries across Africa.*

## STAGE 2 PARTNERSHIPS

*We partner with local hospitals and other NGOs to ensure children receive the best possible medical care.*

## STAGE 4 HOLISTIC CARE

*We provide holistic medical care to children in need through mobile clinics, occupational and physiotherapy, spiritual care and wheelchair services.*

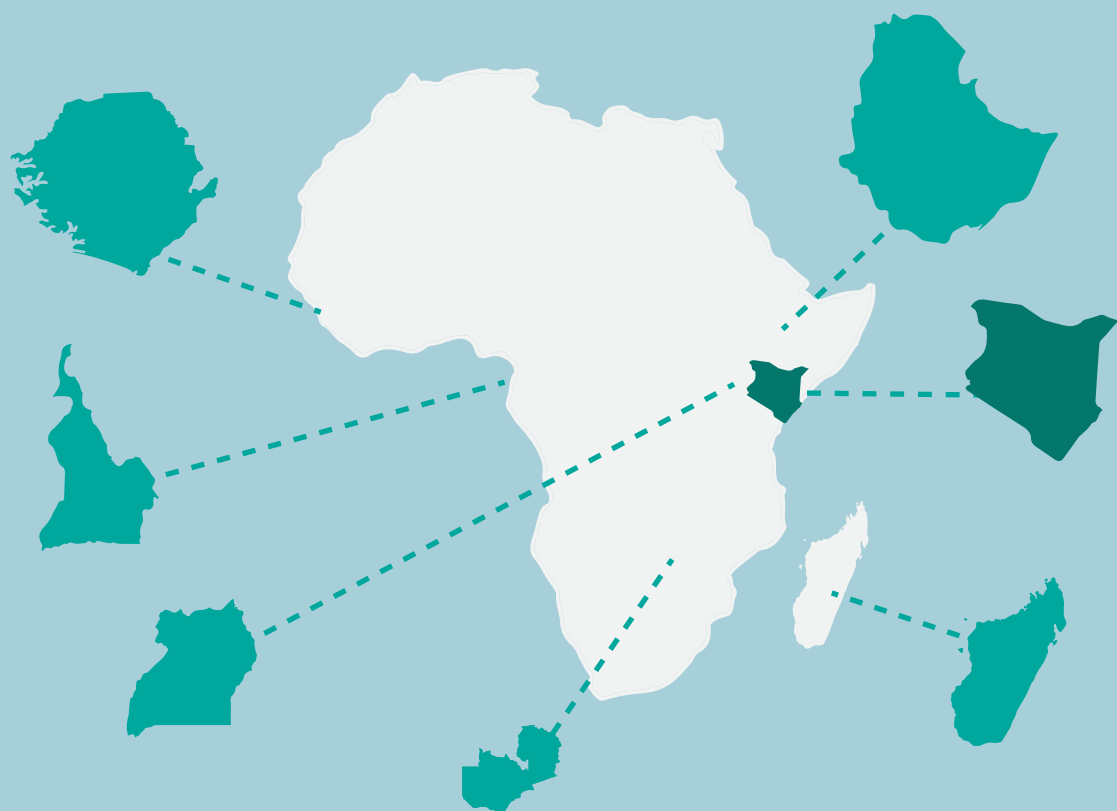

## STAGE 3 PROVIDE SURGERY

*Through our network of graduates we provide pediatric surgeries in 7 countries across Africa to children who cannot afford care.*
